

FIRST ENERGY METALS HIRES MARKETING FIRM

Vancouver, B.C. (**January 7th, 2022**) – **First Energy Metals Ltd.** (CSE: FE) ("**First Energy**") or the "**Company**" has engaged Wall Street Reporter, a multi-platform global marketing firm. Wall Street Reporter to help us share the First Energy Metals story with a wider audience.

The Company also announces has engaged Jack Marks and Octagon Media Corp., an affiliated company of Wall Street Reporter (together "Octagon"), for a six-month term to deliver a digital media advertising campaign coupled with an investor marketing program. As compensation, Octagon will receive a payment of US\$125,000 and has been granted incentive stock options exercisable to purchase up to 750,000 common shares in the capital of the Company at an exercise price of \$0.40 CAD per share. The options will be exercisable for a period of five (5) years.

The stock option grant will be subject to a four-month hold period and is subject to Canadian Securities Exchange approval.

About the Augustus Lithium Property

The Company owns 100% interest in Augustus Lithium Property in Landrienne & Lacorne-Townships, Quebec, Canada. The Property consists of 300 mining claims covering a total area of 15,000 hectares located approximately 40 kilometres northwest of the town of Val d'Or on map sheets 32C/05 and 32D08. The Property claims are spread in several claim blocks optioned in 2021 from different vendors. The Company has prepared a well thought out work plan on the property which includes diamond drilling, metallurgical testwork to produce battery grade lithium carbonate, and resource estimation. To date, the Company has completed 5,847 metres of diamond drilling in its Phase I drill program and has subsequently deployed its Phase II program.

About First Energy Metals Limited.

First Energy Metals is a Canadian mineral exploration company with a primary focus of acquiring a multicommodity mineral property portfolio. Its goal is to identify, acquire and explore North American mineral prospects in the technology metals, precious metal, and base metal sector.

The company's strategy is to:

- Acquire and advance projects through prospecting and early-stage exploration;
- Source joint venture partners to finance future exploration and project development;
- Create shareholder value through exploration success.

First Energy will continue to add to its multicommodity portfolio through organic acquisitions of new projects and opportunities with the intention of adding value and projects over time.
